ENVIRONMENTAL ASSESSMENT (EA) AND FINDING OF NO SIGNIFICANT IMPACT
(FONSI) – LOAN TO KEMPER COUNTY, MISSISSIPPI, ECONOMIC DEVELOPMENT
AUTHORITY FOR EQUIPMENT TO BE LEASED TO PHARMA PAC, LLC

In accordance with the *National Environmental Policy Act* (NEPA) and TVA's implementing procedures, Environmental Stewardship and Policy has prepared the attached EA addressing the potential environmental consequences of TVA's proposed action. We conclude that the proposed action of providing a loan to the Kemper County, Mississippi, Economic Development Authority for equipment to enable Pharma Pac, LLC, to expand its operations is not a major federal action significantly affecting the environment. Thus, an environmental impact statement is not required.
